

IDEASTREAM: NEXTGEN

FROM SEED TO SERIES C

IdeaStream: NextGen is a business-building event, introducing MIT spinouts – new and established – to the resources they need to grow.

Here you'll find everything from an international platform separations company raising Series C funding to a cancer therapeutics startup seeking its first CEO.

Arunas Chesonis of Safar Partners kicks off the event as keynote speaker.

Presenting Companies:

CLIMATE+

- 2Pi Optics
- AeroShield
- Ambri
- Fluorityx
- Helix Carbon
- Infinite Cooling
- Via Separations

HEALTH

- Absco TX
- BioDevek
- GEM
- Hammond Team
- SanaHeal
